

USAF INDIVIDUAL AIRCRAFT RECORD CARDS

ACR REELS 001 – 040

1919 – 1951

Compiled by: Simon D. Beck
w: www.uswarplanes.net
e: sdbeck@caverock.net.nz

Serial number ranges are first and last serial for the type in that batch.
These serial number batches are not all inclusive and do contain many
gaps due to aircraft no longer in the inventory, scan misalignments,
poor quality scans, missing cards or cancelled contracts.

FY1922 to FY1935, pre-war US Navy and British serial number types
not listed due to the large number of missing or illegible cards.
